Legal basis:	Necessary for the performance of a contract
Storage period:	As long as necessary for this purpose

How did HealthBlocks obtain your personal data?

HealthBlocks has obtained your data because you have provided this data to us.

What are your rights?

Under the European General Data Protection Regulation you have a number of rights with regard to your data and the processing thereof:

Access

You may access your personal information and make any necessary changes in your account. If you would like to see which personal data HealthBlocks has obtained about you, you may exercise your right of access by submitting a request to HealthBlocks.

Making changes

If you wish to make changes to the personal information that you have seen as a result of a request for access and you are unable to make the changes yourself in your account, you may request that HealthBlocks makes these changes for you. You may request that HealthBlocks modifies, corrects, supplements, erases or shields your information.

Restriction of processing of personal data

You also have the right, under certain conditions, to ask HealthBlocks to restrict the processing of your personal data.

Right to object

If processing of your data takes place on the grounds of 'legitimate interest' by HealthBlocks or a third party, you have the right to object to that processing.

Portability of data

You have the right to obtain your personal data from HealthBlocks. HealthBlocks will provide this in a structured and commonly used format, which can easily be opened using commonly used digital systems.

Automated processing

Whenever a decision about you is taken that is completely based on automated processing of your personal data, you have the right to request that that decision be re-evaluated by a person. You may at all times let us know your position on that decision or let us know that you do not agree with our decision.

Withdrawing consent

When the legal basis for a particular processing is your explicit consent, you have the right to withdraw that consent. This does not affect past processing, but does mean that we will no longer be allowed to process this data in the future. It may also result in HealthBlocks no longer being able to provide you with certain services.

Response from HealthBlocks

A request can be sent to info@healthblocks.ai. HealthBlocks will comply with your request as soon as possible and in any case no later than one (1) month after HealthBlocks has received such a request. If HealthBlocks rejects your request, we will indicate in our reply why the request was rejected.

Recipients of your personal data

It is possible that HealthBlocks is required to submit your data to a third party, for example to fulfil a legal obligation.

Automated Decision Making

HealthBlocks can use automated decision-making processes based on your data, when it is necessary for the execution of an agreement between you and HealthBlocks. It is possible that, based on your profile, that you are eligible to receive HEALTH Tokens. In all cases of automated decision making, you have the rights set out in the section "What are your rights".

What are cookies and how does HealthBlocks use them?

Cookies are small pieces of (text) information that are sent to your browser when you visit the website of HealthBlocks and then stored on the hard disk or in the memory of your device. The cookies placed via HealthBlocks's website cannot damage your device or the files stored on it. With 'cookies', we also mean comparable techniques collecting information, such as device fingerprinting.

Can changes be made to this Privacy Statement?

This Privacy Statement is subject to changes. We therefore advise you to regularly read the Privacy Statement for any such changes.

Questions, remarks, and complaints

If you have any questions regarding this Privacy Statement or the way in which HealthBlocks uses your data, you can send an e-mail to info@healthblocks.ai. If you have a complaint about the way your data is processed, please send an e-mail to info@healthblocks.ai. Furthermore, you always have the right to contact the competent national data protection authority. In The Netherlands, this is the [Autoriteit Persoonsgegevens](#).
